

PUBLIC NOTICE
BOROUGH OF GREEN LANE

Please take notice that the Borough Council of the Borough of Green Lane (“Council”) will discuss and possibly adopt a proposed ordinance, which is summarized below, at its regular meeting at 7:00 p.m. Thursday, June 11, 2026, at the Borough Hall at the Green Lane Firehouse, 214 Main Street, Green Lane, PA.

All interested persons are invited to attend. If you are a person with a disability and wish to attend the above-noted meeting and require a service or other accommodation to participate in the proceedings, please contact the Borough of Green Lane (“Borough”) at (215) 234-8633 at least two (2) days prior to the date of the meeting to discuss how the Borough may best accommodate your needs.

Full copies of the proposed ordinance may be examined (i) during regular office hours at the Borough Hall at the Green Lane Firehouse, (ii) during normal business hours at the Law Library of Montgomery County, located on the 10th floor of One Montgomery Plaza, 425 Swede Street, Norristown, PA, and (iii) during normal business hours at the office of the newspaper in which this Public Notice appears.

Summary of Proposed Ordinance

The proposed ordinance of the Borough intends to effectively regulate and control all non-domestic wastewater discharges and issuance of associated permits with regard to discharge wastewater which comprise wastes other than domestic sewage.

The proposed ordinance amends Chapter 319, Sewers and Sewage Disposal, of the Green Lane Borough Code and adds definitions of “Best Management Practices” and “Permittee.” The proposed ordinance also adds provisions regarding “prohibited discharges” and includes limitations on pollutants, including Five Day Biochemical Oxygen Demand (BODs), Total Suspended Solids (TSS), Ammonia-Nitrogen (NH₃-N), Total Phosphorus, and Total Dissolved Solids. Furthermore, the proposed ordinance adds provisions regarding discharges subject to Green Lane Marlborough Joint Authority approval. In addition, the proposed ordinance adds provisions addressing connection permits, the procedure upon finding discharge to be harmful and the right of the Borough to inspect. The proposed ordinance includes sections regarding “repealer and ratification,” “severability,” and “enactment and effective date.”
